- A. The PTO would like to recognize and thank Mrs. Susan Lucas for the amazing contributions and dedication she has given to the Children's Kiva over the last several years. She has loved and guided many of our children, and has given us all wonderful tools and teachings that will strongly guide us into the future. Her legacy will be felt for many years to come! MRS. SUSAN: We wish you many blessings on your new journey in New Mexico!! WE WILL MISS YOU!**

VIII. Community Member Forum (Jonathan): We love to hear about celebrations, comments, suggestions, questions or concerns. It is YOUR participation that makes this organization great! (In order to be respectful of everyone's time, please cap to 5 mins; for discussions that may take more time, please email kivaPTO@gmail.com.) Parents are encouraged to speak with child's teacher if you have a complaint or need. If the problem is not solved then take it to the director. Then if not satisfied with the outcome take it to the board. This promotes healthy communication for everybody involved. You can email the boards directly from either school website. At the charter school questions about the

parking situation specifically to blocking the walk way and the handicapped spot in front of the offices. (lexi CH)Parents are encouraged to be proactive. If you see someone doing something wrong tell them. Also suggested is a volunteer for the morning crosswalks because visibility is bad because of the sun in the am.
