Children's Kiva Montessori Week At A Glance 5 day week

From the Desk of Ms. Susan

This past week, the Planning and Zoning Commission voted unanimously to send our request for a Special Use Permit to the City Council. One step closer to our new location.

We begin PARCC and CMAS testing this week. If your child is testing please be sure to have them well rested and with a nutritious breakfast in their belly. We have designed the schedule hoping that no student will have to take more than one section per day, not including makeup sessions.

As always is you have questions or suggestions please feel free to call me on my cell at (970) 759-5869.
