## From the Desk of Ms. Susan

We have a few spots open for Crosswalk Duty and Lunch Duty.

Are you available from 7:30 to 7:45 AM? We could use your assistance to help our students get safely across the street, and into class.

Do you have 30 minutes at either 11:30 to 12:00 or 12:00 to 12:30 one day per week. We could use your assistance at one of our lunch tables. As a lunch room assistant, you sit at a table with students, eat your lunch, and provide adult guidance should they get distracted from their lunches.

Please contact Ms. Susan if you can help in either of these ways. We could certainly use your help.

Where did the summer go? It seems like we were just saying goodbye to you in June, and here we are ready to start another exciting school year.

We have made some physical changes in the buildings, by making a more efficient use of our space. We hope that you will join us soon for a look if you haven't already.

The KIVA team has been joined by some amazing team members. We are very lucky to be having them join us.

As always is you have questions or suggestions please feel free to call me on my cell at (970) 759-5869 or email me at [susan.likes@kivacharter.org](mailto:susan.likes@kivacharter.org).

I look forward to seeing you all very soon.
