From the Desk of Ms. Susan

It is hard to believe the first day of school is tomorrow. I am very excited to see all our returning students and getting to know our new students.

Our teachers have been hard at work this past week getting ready for your students. The classrooms look amazing.

We have a great line up of specials this year by adding Art and Drama. Our teachers have some exciting things planned for your students.

As always if you have questions or suggestions please feel free to call me on my cell at (970) 759-5869 or email me at susan.likes@kivacharter.org.

I look forward to seeing you all very soon. It's going to be a great year!!!

We have a few spots open for Lunch Duty

Do you have 30 minutes at either 11:30 to 12:00 or 12:00 to 12:30 one day per week. We could use your assistance at one of our lunch tables. As a lunch room assistant, you sit at a table with students, eat your lunch, and provide adult guidance should they get distracted from their lunches.

Please contact Ms. Susan if you can help in either of these ways. We could certainly use your help.

For the next few weeks, I will be spotlighting one of our new staff members. Be sure to be on the lookout for this exciting information. But here you can find a short little bio for them.

If you would like your student to participate in the viewing of the Solar Eclipse, be sure to send back the permission forms that were emailed out on Friday. We will have forms available at drop off for you to sign as well.

Students who do not wish to participate will be provided activities inside during this time.
