Pick Up and Drop Off

What a great week. The children are back in school and we are so happy to be able to share part of their day. STAR testing begins this week. Afterschool tutoring also begins soon. Flyers for tutoring opportunities have gone home. Be sure to fill them out and send back to the school if you are interested. If you have any questions or concerns, please feel free to call my cell phone at (970) 759-5869.

Please remember to drop off and pick students up in the loading zone on North Street in front of the Glass shop. If you would like to park and pick-up or drop your student off, please park behind the pink building in the designated areas. Please remember to be respectful of our business neighbors.
