

# KIVA KIDS

## Kiva's Week at a Glance Five Day Week for Students

### From the Desk of Ms. Susan

As I write this, I am gazing out the window at the gray and cloudy skies, hoping for the snow that our weather casters are saying we may receive. I have missed the beauty of the snow this winter, and hope that arrives soon.

We have a very exciting week coming up. The PTO will be meeting this Tuesday at Trinity Lutheran Church. If you are able please join, as this is amazing group of parents working toward supporting our students and teachers.

Family Innovation Night is this Thursday. This event will provide an opportunity for parents to learn about the Design Cycle and understand what will be expected for their students. Oh, and Mr. Sean has worked up a few small experiments for you to try as well. I am looking forward to this exciting opportunity.

The Middle Schoolers have a thought provoking field trip on Tuesday. They will be walking a 1 inch to 1 mile model of our solar system. I am looking forward to seeing what this walking

field trip will inspire in the students.

As always if you have questions or suggestions please feel free to call me on my cell at (970) 759-5869 or email me at [susan.likes@kivacharter.org](mailto:susan.likes@kivacharter.org).

- 3:30pm

Family Innovation Night - Beech Campus -  
5:30pm

# Family Innovation Night

Please join us for the Family Innovation Night, Thursday, February 15th at 5:30pm. We will be introducing to parents what will be expected for student projects, how the design cycle works, and some other really fascinating things. Upper Elementary and Middle School students are required to complete this project. Third year students may at their decision work on this project. Please plan to join us at this time for a fun and informative night.

## Student Pickup and Drop Off

A gentle reminder, please make sure to drop off and pick up your students, using the Drop Off Zone on North Street. Please DO NOT park on Beech Street or North Street, or behind the businesses off of Main. Please do not drop students in front of the school up or down Beech Street. I realize it is very cold out at this time, but please be respectful of our business neighbors and their need for close parking as well. Thank you for all your assistance in this matter.

5:30pm

Friday - February 16th - Kiva Cafe - 7:30am to 7:45am - Beech Campus
