12:30pm - Beech Campus

*Thursday, January 19th --*

\*\* Kiva Cafe' 7:30 - 7:45

*Friday, January 20th --*

\*\* Ms. Krista's last day :(

I hope you are all enjoying our strange winter weather. It snows and then it is raining. I am not sure it knows what it is doing out there.

Please remember to send you children with appropriate clothing as we do try to get outside each day.

If you have any questions or concerns, please feel free to call my cell phone at (970) 759-5869 or stop by the school.

## Slippers in your child's cubby

With it being the time of year for snow boots, you may want to consider sending your child with slippers to leave in their cubby.

This will assist with the water that is being tracked all over from our snow boots, and the children's feet are much more comfortable in slippers than big heavy snow boots.

Thank you for your consideration.

## Parent Survey

Our School Accountability Committee sent out their Parent Survey this past week. Please be sure to look in your inbox for this important survey. The committee uses the information gathered to improve the educational opportunities for our students. Thank you for your time in completing it.

## Healthy Food and Snacks

As we start the new year, it is time to refresh our minds on healthy foods and snacks. What does it mean to send healthy food and snacks?

Carrots, Celery, Cucumber Slices  
 Bananas, Oranges, Strawberries

What does it not include

Potato Chips

## Sugary Snacks

As with adults there is a noticeable drop or crash for kiddos that have had a very sugary lunch in the afternoon. Please help us make your child successful by reducing sugar in their lunches and snacks. We appreciate all your assistance.

## Parking Areas

Please be sure to be respectful of our business and residential neighbors when picking up and dropping off your children. Please do not block driveways, or park on Beech Street. Use the parking spaces that are marked as Kiva Visitor parking. Thank you for your assistance.

## Preventing Winter Sickness

**It is that wonderful time of year when we begin catching winter colds. Please remember to wash your hands frequently. Get plenty of rest, drink lots of water, and eat healthy foods and snacks.**

**As a reminder, do not send your child to school if they have had a fever, unless they have been without medicine or a fever for 24 hours.**

## Communications Pathways

**Please be sure to follow the communication pathways document when raising a concern. Is it with your student's teacher. Please allow them an opportunity to address your concern before going to other members of our school community. You can find the Communication Pathways document on our website at [www.kivacharter.org](http://www.kivacharter.org) under the Parent Information tab.**
