*Thursday, January 26th --*

\*\* Kiva Cafe' 7:30 - 7:45

*Friday, January 27th --*

I hope you are enjoying all this beautiful snow. While it has been a bit of a problem to get it cleaned up to get out and about, it really is lovely. Should we have a weather related school closing, the school district will make a reverse phone call and contact all district parents in this manner. We will send out an email to our families and post any information on our Facebook page.

If you have any questions or concerns, please feel free to call my cell phone at (970) 759-5869 or stop by the school.

## Intent to Re-Enroll

The Intent to Re-Enroll forms have been sent out via email. This will serve as a confirmation of your child's spot at our school for the 2017-2018 school year. This form must be responded to by February 3, 2017.

If you have questions please feel free to contact Ms. Susan at (970) 564-9377.

## Parent Survey

Our School Accountability Committee sent out their Parent Survey this past week. Please be sure to look in your inbox for this important survey. The committee uses the information gathered to improve the educational opportunities for our students. Thank you for your time in completing it.

## Preventing Winter Sickness

It is that wonderful time of year when we begin catching winter colds. Please remember to wash your hands frequently. Get plenty of rest, drink lots of water, and eat healthy foods and snacks.

As a reminder, do not send your child to school if they have had a fever, unless they have been without medicine or a fever for 24 hours.

## Communications Pathways

Please be sure to follow the communication pathways document when raising a concern. Is it with your student's teacher. Please allow them an opportunity to address your concern before going to other members of our school community. You can find the Communication Pathways document on our website at [www.kivacharter.org](http://www.kivacharter.org) under the Parent Information tab.

Make sure to be respectful of our business and residential neighbors when picking up and dropping off your children. Please do not block driveways, or park on Beech Street. Use the parking spaces that are marked as Kiva Visitor parking. Thank you for your assistance.
