## Children's Kiva Montessori Week At A Glance 5 day week

From the Desk of Ms. Susan

It is hard to believe it is May already. The weather has turned lovely, except for the wind. I do hope you had time to get out and enjoy the sunshine between the rain storms.

We have lots going on this week at the school. Kiva's Got Talent is always nice to see the many talents our students have, as well as the teachers.

Testing will be over this week, as we just have makeups left. Thankfully we will be done with the testing cycle this week.

As always is you have questions or suggestions please feel free to call me on my cell at (970) 759-5869.

## A Message from your Board of Directors

Board members, Kathy Clark, Stacey Weyand, and Tamia Hurst had the opportunity to attend the Western Slope Combined Seminar in Durango on Friday. The seminar, put on by the Colorado Department of Education, focused on legislative updates, board fundamentals, authorizer relations, assessments, financials, and rural schools needs. It was a wealth of information and a great networking opportunity that will assist our board in moving forward.

## School Accountability Committee

School Accountability Committee is working hard on preparing an end-of-year report. We have spent some time preparing a list of resources for families to use over the summer. These include some online options to practice reading and math skills as well as some local community resources. Our hope is that this will help our students continue to practice

The 2nd annual Kiva's Got Talent show will be held May 10th at 12 noon. Please be sure to join us for the fun filled afternoon.

resources. Our hope is that this will help our students continue to practice some of the skills they have learned this year and keep from forgetting as much while they are away from us.
