CHILDREN'S KIVA

MONTESSORI SCHOOL

From the desk of Ms. Susan:

On the way home from Norwood yesterday, this was my view. Fall has definitely arrived. This smell of fall is in the air, the apples are ready to harvest. This is one of my favorites times of the year. The weather is warm during the day, and chilly at night.

This Wednesday is October Count Day, please make sure your children are in attendance that day if at all possible.

Our Middle School Classroom is beginning their project with their Micro Economy. The Kiva Cafe will be open Tuesday mornings during drop off from 7:30 to 7:45. They will be serving hot teas, coffee and hot chocolate for \$1. Stop in for a hot drink if you have an opportunity.

This week a questionnaire will be coming home asking for the best communication method for you is. Do you get the email, a note home or by phone. Please be sure to send the form back so we can make sure we are reaching you using your preferred method.

If you have any questions or concerns, please feel free to call my cell phone at (970) 759-5869 or stop by the school.

Pick Up and Drop Off

During Pick Up and Drop Off, please be sure to use the drop off/pick up area on North Street. Drop off is from 7:30 to 7:45. If you do not see a staff member at the drop off area, it is either too early or a bit too late. Do not drop your children if there is no adult out there. If it is past 7:45, please park and bring them into the building.

Please do not park on Beech Street to drop off or pick up your children. These parking spaces are reserved for our Business neighbors. If you would like to park and pick up your child, please park in the parking lot behind the 18 N Beech building (the Pink Building) in the areas designated for Children's Kiva Visitors.

Please do not park in the parking spaces against the Pink Building, as those are for our business neighbors. Again, our parking spaces are designated by Children's Kiva visitors signs. Please help us to be great neighbors to the area's business owners.

Being on time in the morning is very important, not only for your child but for your child's class as well. Each disruption that is caused in the classroom, causes a 10 minute time period to get everyone back on track. If there is one disruption every day of the school year, we have lost 10 days of work cycle. Please help us get the most out of your kiddos. If there is some way we can help you, please let us know. Can we find you a carpool buddy? We would certainly like to help with that. Our goal is student success, and if we can support you in anyway, please let us try to be of assistance.
