From the Desk of Ms. Susan

It is starting to get a bit chilly in the mornings. I do love the fall time of year. Snow is just around the corner.

A letter went home on Friday. It is long, but so important for everyone. This coming Friday is a Teacher Workday with no students.

As always if you have questions or suggestions please feel free to call me on my cell at (970) 759-5869 or email me at susan.likes@kivacharter.org.

It's going to be a great year!!!

A Little Bit about Ms. Linda

My name is Ms. Linda and I am the new ESS and Math Interventionist here at Kiva.

I was born in Wyoming and have lived in Wyoming (twice), Utah (twice), Nevada, and Colorado. I have nine children (counting children in-law, who are wonderful) spread all over the west. I also have five 4-footed children who still live at home. I enjoy gardening, writing, quilt-making, reading, and teaching just about anything from how to dehydrate fruit to how to diagram sentences and everything in between. My favorite subjects are Children, US History, and English Literature.

I graduated from Brigham Young University with a BA in Literature and History, and from Adam's State with an MA in Special Education. I have also attended SUU, UVU, ASC, BYU, WSU, and UCB for post graduate work in Education, US History, and support for English Language Learners. I have been a teacher for 23 years, in Mancos, Montezuma Creek, and Cortez and have worked with students from K-12th grade, with a few college students I still support with editing and scholarship application aide.
